

MyCOMMS features

Available on Android and IOS late June 2025

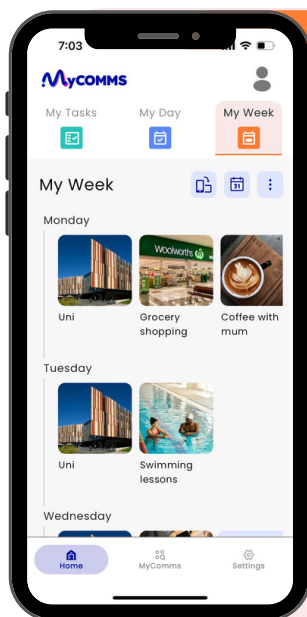

My Tasks

Task breakdowns with step-by-step visual support.

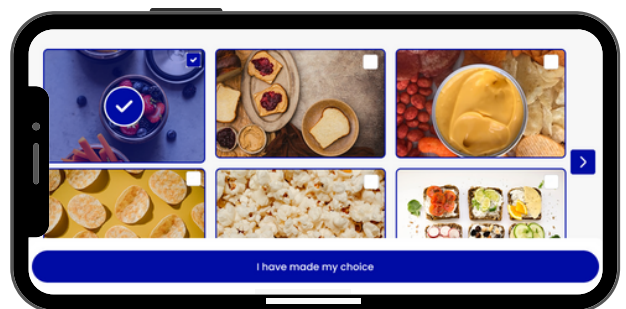

My Day

Personalised daily schedules for everyday tasks and transitions.

My Week

Visual weekly calendars that highlight key events.

My Choices

Visual choice boards that help people choose what they want or need.

- 2 modes: **Creator mode** (person who creates, edits and deletes visual supports) and **Play mode** (person who needs and interacts with visual supports).
- 200+ visual **templates** made by industry leaders.
- Use your **camera** or image gallery to reflect your life, language and practices.
- **Duplicate, share, export, print, edit or delete** visual supports made within MyComms.
- MyComms is \$14.99/month or \$164.89/year. MyComms can be purchased using NDIS funding as a low-cost, assistive technology.
